## About School

Shreemad School of Education is located in World Heritage City, AHMEDABAD in a lush green environment, away from the hustle and bustle as well as pollution. Aiming tomorrow's need, we're 21st century Ultra Modern School with top tier sports facilities and equipped with latest technology. The school is fully committed to the development of each student's moral, emotional, physical and spiritual wellbeing and to equip them for admission to the top Universities Worldwide. We're all set to follow the guidelines set by the NEP 2020 and NCF 2023. We love to promote the interest of our kids in music, dance and arts. The personal happiness and wellbeing of our students are key to everything we do.

### OUR VISION

To create a joyful learning environment where students grow with wisdom, values, confidence, and excellence. We envision children who are academically strong, emotionally balanced, socially responsible, and ready for the future.

### OUR BELIEFS

Simple ways of learning which helps child to release happy hormones.

Each child is blessed with special god gifted ability, it's a duty of parents and teacher to further develop it.

Joint effort by student, parents and school is required to shape the great character building.

### OUR MISSION

At Shreemad School of Education, we are committed to :  
Delivering a strong CBSE-aligned, concept-based curriculum. Blending modern education with Indian values. Offering holistic development across academics, sports, arts, values, life skills, and 21st-century abilities. Providing a safe, nurturing, and innovative campus where every child feels valued and supported. Preparing learners for real-life challenges.

# Curriculum

We emphasize that knowledge is the greatest asset a person can possess. Unlike wealth or physical beauty, knowledge does not fade or perish over time. It is permanent, and it earns respect and recognition wherever one goes.

## OUR ACADEMIC CURRICULUM

Our Curriculum is based on National Curriculum Framework (NCF) 2023.

### • Foundation Stage - Nursery to Grade 2

At Shreemad, early education is joyful, safe, and meaningful.

Our Foundation curriculum emphasizes :

- Play-based, activity-based learning (inspired by Gijubhai Badheka).
- Sensory learning through touch, sound, movement, art, exploration.
- Language skills, pre-number concepts, fine & gross motor development.
- Storytelling, music, role-play, creative expression.
- Emotional bonding, confidence, and positive social habits.

### • Preparatory Stage – Grades 3 to 5

Learning connects with real life; strengthens reading, writing, numeracy, communication, logic, problem-solving, teamwork, values, and environmental awareness.

### • Middle Stage – Grades 6 to 8

Deep learning with practical application, strong concepts, research and digital skills, critical thinking, leadership, and responsibility.

### • Secondary Stage – Grades 9 to 12

Future-ready, career-focused education with subject mastery, real-life connect, board exam prep, career guidance, leadership, values, and global outlook.

## OUR OUTSTANDING CURRICULUM FOR CO-SCHOLASTIC ACTIVITIES

### SPORTS

Sports support physical, mental, and social growth. Our campus offers modern indoor and outdoor facilities with expert coaching in cricket, football, tennis, basketball, and volleyball, helping students build life skills and excel.

### MUSIC AND DANCE

Music and dance foster creativity, confidence, emotional well-being, and support overall academic growth.

### HOBBY CLUB

Hobby Club builds life skills like teamwork, leadership, and problem-solving through house-wise activities and competitions such as quiz, debate, speech, recitation and celebrations like Independence Day, Navratri, Janmashtami etc.

### SKILL DEVELOPMENT PROGRAM

The program develops essential life skills such as communication, teamwork, decision-making, emotional intelligence, and digital literacy along with academics.

### CREATIVE SPACE

Students are provided space, guidance, and encouragement to explore ideas and develop creativity.

### EXAMINATION AND ASSESSMENT

Primarily, school assessments measure overall progress and understanding. Rather than only traditional exams, we focus on continuous evaluation through activities and participation. Our aim is to support growth, identify improvement areas, and build confidence and love for learning.
